

Travel Accident

Coverage Description	Travel Accident insurance provides valuable protection against the risk of hospitalization or death resulting from injuries received either as a commercial passenger or in a private motor vehicle accident.
Plan Benefits	<ul style="list-style-type: none"> • Up to \$100,000 will be paid for accidental death while driving or riding in a motor vehicle (automobile, truck, camper, motor home or non-motorized bicycle). • Up to \$200,000 will be paid for accidental death due to riding on public transportation (commercial passenger planes, taxis, buses, trains, ships, trolleys, subways or any other common carrier). • Up to \$125 a day will be paid for hospitalization resulting from and beginning within 90 days following a covered private motor vehicle accident (double if common carrier) for up to 24 months.
Family Members	Coverage is also available for spouse and/or dependent children.
Underwriting	All applicants are guaranteed acceptance.
